Every year the Quebec Chapter of I.E.Canada organizes events based on member requests, keeping you abreast of legislative and industry developments. Our average approval rating amongst participants as reported on post event evaluation forms shows an approval rating of over 90%.

Our activities are open to I.E.Canada members, who pay reduced registration fees, and the general international trade community. E-mail is the primary communications tool with some 10, 000 businesses on average receiving our event announcements. Word of mouth, I.E.Canada's web-site and publications, media, other association partners, and direct mail (on occasion) round out the event marketing mix.

Take note, we are always open to receiving suggestions for events and providing you visibility through sponsorship.

Events are subject to change. Complete details will be forwarded by e-mail and posted to the I.E.Canada web-site (<http://www.iecanada.com/events.html>) in a timely manner.

**What our members have to say about I.E.Canada Events:**

*"The Association does an excellent job of keeping our industry informed."* **Glen Bradley, GlaxoSmithKline**

*"I highly recommend the conferences."* **Erin Ripley, Conecuh Equipment**

*"I.E.Canada is a great source of up to date training, which is really valuable in trying to keep up with the vast amount of changes."* **Ernie Uric, Sharp Electronics of Canada Ltd.**
