13th Annual Canadian American Business Achievement Awards

NOMINATE A PARTNERSHIP TODAY

The Canadian American Business Council is delighted to announce the 2007 Canadian American Business Achievement Awards Luncheon and Cross-Border Policy Forum. This event, now in its 13th year, recognizes successful cross-border business alliances that demonstrate strong business growth, remarkable innovation, and the capacity to provide the partners with a global advantage.

We invite you to become an important part of this celebration by nominating a business partnership between a US and Canadian company that enhances North American competitiveness, helps define the unique relationship between our two countries, and contributes to the development of sustainable and secure economic ties.

WHY NOMINATE A PARTNERSHIP?

The winning partnership will be celebrated at the CABC's Annual Business Achievement Awards Luncheon and Policy Forum. The annual awards luncheon has become a signature event for the CABC - generating a crowd of more than 500 cross-border business leaders and government officials along with significant media coverage. The Award winners are recognized as industry leaders making a significant contribution to the strength and prosperity of the Canada/US relationship.

The 2007 CABC Business Achievement Awards Luncheon and Policy Forum is scheduled to take place on November 9, 2007 in Toronto, Ontario.

An international panel of judges will select the winning partnership based on:

- Demonstrated sustained profitability;
- Job creation;
- Financial strength;
- Environmental responsibility;
- Corporate synergy;
- And the extent to which the partners' joint enterprise reflects an exceptionally imaginative vision and achieves it in an extraordinarily innovative way.

EVENT HIGHLIGHTS/PREVIOUS WINNERS

Last year in Toronto, Gord Nixon, President and CEO of RBC, served as co-chair of the 12th Annual Business Achievement Awards. Ambassador David H. Wilkins served as the keynote speaker. In 2005, the CABC held the Award event in Calgary where Rex Tillerson, Chairman and CEO of Exxon Mobil Corporation, served as our keynote speaker. In previous years in Toronto, Lowry Kline, Chairman of Coca-Cola Enterprises served as co-chair and Peter Mansbridge served as master of ceremonies.

The 2006 winning partnership, Virox Technologies of Oakville, ON and JohnsonDiversey of Racine, WI, came together to engineer revolutionary disinfectants in the ongoing fight against pandemic outbreaks. Previous award winners, include: CMC Electronics, Honeywell Aerospace, Research In Motion (RIM), Intel Corporation, Wrebbit Inc, and Milton-Bradley, to name a few.

**It only takes a few minutes to nominate a partnership.
