

CANADIAN AMERICAN BUSINESS ACHIEVEMENT AWARD

The Canadian American Business Council (CABC) is pleased to request nominations for the prestigious **2007 Canadian American Business Achievement Award**. Each year, the Council seeks information about innovative and successful alliances between Canadian and American firms to recognize the benefits that these partnerships bring to both countries in jobs, innovation, and revenue creation.

These efforts culminate in the presentation of the Award for Canadian American Business Achievement, given to two companies, one Canadian and one American, whose joint enterprise has demonstrated:

- Strong business growth
- Remarkable innovation
- The capacity to provide the partners with a global advantage

The business and trade relationship between the United States and Canada is the largest in the world. Innovative Canadian and American firms that seek the advantages of partnerships across the border are driving an increasing proportion of that business. This year we will celebrate Canadian American business achievement on November 9, 2007 at the Metro Toronto Convention Centre in Toronto, ON.

The winners are chosen by an international panel of judges using exacting standards that examine sustained profitability, job creation, financial strength, environmental responsibility, corporate synergy, exceptional imagination and remarkable innovation.

The 2007 Canadian American Business Achievement Award will mark the 13th year of recognizing and promoting the positive contributions that innovative cross-border business partnerships make to both the United States and Canada. The annual award has become a signature event for the CABC – generating a typical luncheon crowd of 500 cross border business leaders and government officials along with significant media coverage.
